

**REMARKS**

In Applicants' Response dated November 14, 2005, Applicant indicated that Claims 19 and 21, which were indicated to be allowable if re-written in independent form, were re-written in independent form.

However, these claims were re-written in error to include Claim 1 as a base claim rather than Claim 13, which is the claim they originally depended from. This current amendment amends Claims 19 and 21 to correct this error, and places them in their original states, but in independent form. Favorable action is requested.

**CONCLUSION**

Applicants have now made an earnest attempt to place this case in condition for immediate allowance. For the foregoing reasons and for other apparent reasons, Applicants respectfully request allowance of all pending claims.

If the Examiner feels that prosecution of the present Application may be advanced in any way by a telephone conference, the Examiner is invited to contact the undersigned attorney at 214-953-6447.

Respectfully submitted,
